① Install lower mat

- Align in the center between the dividers
  (a gap might develop between the mats)
- Mat is flush with the brisket board

(i) **If there is no brisket board:**
Measure approx. 180–190 cm
from the rear boundary to the
front and mark accordingly
-> Place the lower mat on this
   line

---

② Place upper mat over it

(!) **Do not walk on it until screwed on tightly!**

The stud links of the upper mat engage in the edge of the lower mat
